Summary

A people-centric youth advocate pursuing undergraduate degree in Information Management and interests in climate justice, civic leadership, and social innovation. Personally engaged in community-based projects under the Rotaract Club of Kirtipur, AWS Cloud Club Nepal, and national events such as TEDx, NIFF, and civic data hackathons. Successfully completed civic leadership training "असल नागरिक बनौं" with improved public speaking, grassroots action, and governance skills. Dedicated to empowering rural and urban youth to drive climate action and social impact.
